

To all Club Directors:

10/02/2008

We are committed to provide you with the most up to date information in regards to our business relationship of Region and Club.

First priority, please submit your Annual Club Application and Tryout Sanction Application (with fees), once this is done, we will put your club contact information along with tryout dates on our website.

[Annual Club Application 09.doc](#) Fee \$100

[Sanction Application.pdf](#) Fee \$100

All club affiliates (players, coaches, chaperons, administrators, directors, etc) must be USAV and IM region members before tryouts are held.

Membership will be administered through WEBPOINT which is in conjunction with USAV. www.imvolleyball.org provides all information needed for membership registration. IVA would like all club directors to register themselves on October 3. Please provide any feedback to IVA before IVA opens registration to all others October 6, 2008.

Registration dates:

Club Directors: October 3, 2008

Open registration: October 6, 2008

You as club directors can help our members register as an individual by providing information either by email or on your club website. The most important info being all IVA/USAV club affiliates must be individual IVA/USAV members before tryouts.

All adults and parents of junior athletes will need to provide a valid driver's license in order to register to be an IVA/USAV member online. Please advise all not to sign up for a specific club upon registration. Choose option 'undecided'.

At the beginning of your tryouts they will provide you with a copy of their current IVA/USAV membership card as well as their medical release form. They will not have a card if they did not pay. No athlete will be allowed to tryout until they become a registered member. *(please see below)

Once teams are selected and athletes have committed to a club. Club directors will be able to assign members to a specific team through WEBPOINT. We will provide more information on this next week.

We thank you for your compliance. We are committed to finding new ways to simplify the work you do as directors.

Feedback, comments, or questions may be directed to marthab@imvolleyball.org or call the IVA office.

IVA staff

*athletes who have not registered before tryouts will have to upon arrival. If you can provide online WEBPOINT registration that would be most efficient, otherwise have them fill out a hard copy of membership for their own sports accident and liability (COLLECT NO FEES). Please request the junior athlete and parent, or adult to register and pay online as soon as possible after tryouts, this returns responsibility to the individual member. As soon as they pay and become current you will be able to add them to your club and teams. Your hard copy does NOT need to be submitted to IVA. Thank you.
